**The AsurePay Platinum VIP Banking account is a prepaid account, not a traditional interest-bearing checking or savings account, and is designed to encourage savings deposits through a rewards program funded exclusively by Asure. The account offers APY rewards on eligible balances at a variable rate that may change at any time at the sole discretion of AsurePay. Rewards are calculated daily based on the end-of-day balance, using the actual number of calendar days in the year, and are rounded to the nearest cent. These rewards apply only to account balances up to a maximum, with no minimum balance required. By promoting savings behavior through this innovative rewards structure, the AsurePay program stands apart as an initiative rather than a conventional interest-based offering. For current rewards offerings and terms, visit asurepay.me or their provider, Grit Financial's Terms & Conditions page at gritfinancial.org
