- ACA Compliance & Reporting

“Payroll tasks can be overwhelming. Asure helps bring **peace of mind** to the entire payroll process” -G2 Review

Time & Attendance

Increase Efficiency & Visibility

Stay compliant with FLSA and overtime laws with our enterprise-class time tracking capabilities for small to mid-sized businesses, effortlessly managing time, accruals, and schedules.

- FLSA & Overtime Compliance
- Manage by Exception
- Time-Off Management
- Error-free Processing
- Time Collection Flexibility

“The solution delivers **huge time savings** and has increased our ability to easily view time off balances and attendance history.” -TLM Customer

HR Compliance Services

We focus on HR so you don't have to

HR laws have changed dramatically in recent years with a barrage of new and ever-evolving Federal, state and local legislations that impact businesses of all sizes. **Protect your business** and your employees with well-defined policies and procedures.

Save time and money while staying compliant with HR laws, accessing expert resources through our **affordable subscription services**. For a fraction of the cost of hiring an in-house HR staff, our HR experts can help you keep pace with ever-changing HR laws.

“There's so much we **needed help** with and didn't even realize it.” -HR Compliance Services Customer

401(k) Solutions

Enhance benefits, empower employees

Retirement benefits are in high demand. With Asure's **made-for-small business plans**, expert guidance, and seamless integration with payroll, offering a 401(k) has never been easier or more advantageous. Plus, the SECURE Act. 2.0 tax credits make it more affordable than ever to offer a 401(k).

Did You Know? The SECURE Act 2.0 now covers up to \$5,000 in annual startup costs incurred by small businesses during the first three years of the plan.
