ASUREHCM
EMPOWERING THE MODERN WORKFORCE

▶ THE POWER OF ONE

AsureHCM is a single database with a single employee record, not a 'unified' set of solutions. From the initial application to benefits enrollment and beyond, Asure maintains a single point of entry, eliminating redundant data entry. Partnering with a single provider means one-stop-shopping, and a dedicated account manager gives you a single point of contact.

▶ INTEGRATED SOLUTIONS FROM HIRE TO RETIRE

Featuring applicant tracking, paperless onboarding, integrated time and labor management, intuitive payroll processing, a robust HR management system with online benefit enrollment, and a 360 degree performance management system.

▶ BUSINESS INTELLIGENCE

Our all-in-one platform delivers unified reports, customizable, real-time dashboards and actionable analytics, giving you a 360° view of your workforce. With over 600 standard reports and an optional custom report writer, you can turn your HR information into HR insight.

▶ ADMINISTRATIVE SERVICES OUTSOURCING - ASO

Expand your HR resources and capabilities with Administrative Services Outsourcing by Asure. Improve operational efficiency and productivity with an additional layer of administrative service support, including a dedicated Payroll Account Processor, Data Entry Specialist, and Benefits Administration Specialist.

AsureHCM: an easy-to-use, cost-effective, cloud-based platform to manage your entire employee life cycle.

AsureHCM is an intuitive, all-in-one platform solution designed to empower employees throughout their employment life cycle. AsureHCM is a single application with one database and one employee record; not a "unified" suite of applications.
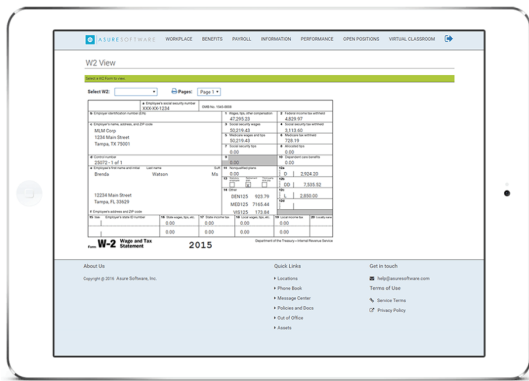

Our SaaS (Software-as-a-Service) delivery model ensures you always have the most up-to-date features and compliance requirements. From online applications to benefits self-management, AsureHCM increases efficiency, eliminates redundancy and maximizes employee productivity.

HRMS

AsureHCM simplifies the management of sensitive HR data throughout the entire employment process.

Employees, administrators, and executives all benefit from the improved productivity and informed decision making that comes with a single, unified HR system and powerful self-service.

PAYROLL

Real-time, user-friendly payroll processing that allows you to input data, make changes, run reports and submit payroll from wherever, whenever.

- Tax compliance and services
- General Ledger interface and management
- User defined roles with multi-level security options

TIME & LABOR MANAGEMENT

A seamless integration with our robust time and labor management solution provides an automated jumpstart to the payroll process. A variety of integrated time clocks allows you to collect time from both traditional and mobile workers. AsureForce Time is an easy-to-use solution that will help your organization reduce administrative expenses and improve payroll processes.

RECRUITMENT & ONBOARDING

Redefine the way you manage new hires with applicant information entered one time, and then automatically carried throughout the entire system.

- Web-based recruitment
- Online employment application wizard
- Requisition and budget management
- Applicant tracking and document management

BENEFITS ADMINISTRATION

Streamline and simplify the enrollment process with a paperless solution, while improving year-round benefits management accuracy and efficiency. Our comprehensive solution reduces the cost and time of managing complex benefits packages.

- Online benefit enrollment & carrier connection
- Web-based manager and employee self-service
- Affordable Care Act compliance and reporting
- Integrated ancillary benefit options (HSA, HRA, FSA, COBRA & inactive participant billing)
