

Simplify Your Payroll Process

Simple Payroll Entry makes it incredibly easy to enter hours worked and submit payroll from anywhere, at any time.

● Save Time for What You Do Best – Growing Your Business

There's no longer a need to call in, fax, or email your payroll hours. With Simple Payroll Entry, payroll can be completed in under 5 minutes through a streamlined website.

● Complete Payroll at Your Convenience

With an easy, intuitive interface, hours worked can be entered from the web anytime, anywhere. View your total payroll costs and exactly when your account will be debited in real-time. You can also access your historical payroll reports directly from the Simple Payroll Entry website.

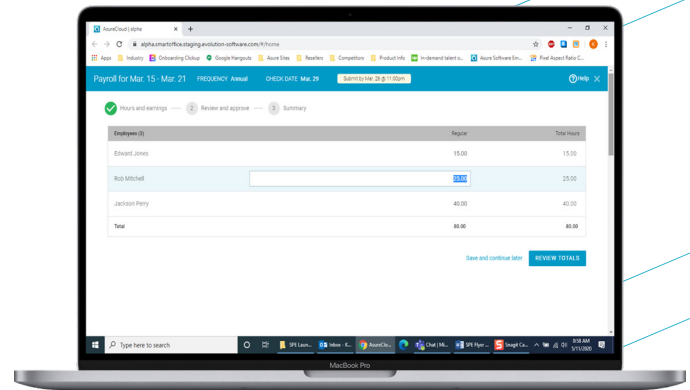

● Access Payroll at Your Fingertips

Because Simple Payroll Entry is designed to run in mobile browsers, payroll entry hours can be entered on the go, in the field, from home, or from anywhere!

Payroll is as Easy as 1-2-3

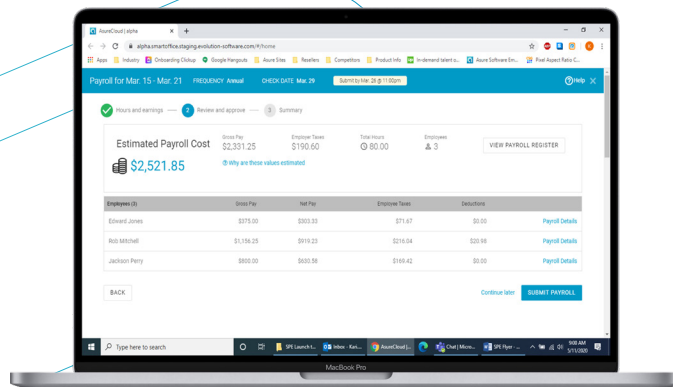

Step 1

Enter regular, sick, vacation, overtime and any other hours you track in a simple grid format using an easy tab-through experience, similar to entering data in Excel.

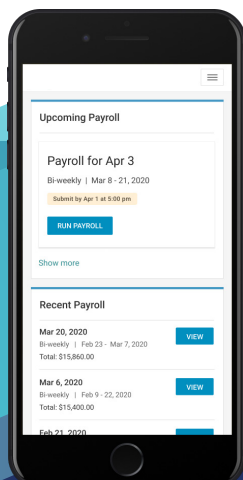

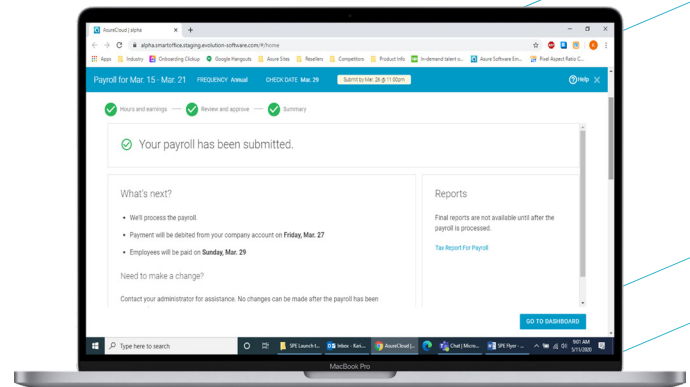

Step 2

Validate that all of your information is correct and complete. With an immediate view of your estimated payroll cost, gross pay, employer taxes, and total hours, you can ensure there are no costly and inconvenient mistakes.

Step 3

Once payroll is submitted, you will know exactly when it will be debited from your bank account, as well as when employees will be paid. You can also access valuable reports directly from this page.

Mobile-Friendly Experience

Simple Payroll Entry works on any iPhone or Android browser. Enter hours and complete your payroll directly from your smartphone.
