- Admin Portal Registration Mgmt
- Bureau Readiness Reporting
- Asure Mobile App – Apple & Android

Asure Mobile

Activation & Rollout

Asure Rollout & “Knock outs”

1

Exclude your Essential – Asure HR Clients. Full Features are not currently available.

2

Clients that have less than 80% Data Complete. Missing or invalid data management.

ASURE ESS

Are You Ready?

Assess Your Customer Base

- Who is Using ESS & Level of Usage
- Multiclient Reports

Collect Missing Employee Data & Validate

- Company Level Report
- Virtual Mail Room

Update employee information

- EvoExchange
- EvoExchange Scheduler

Track your progress

New to Evolution Exchange?

If you and your staff need a refresher or guidance using Evolution Exchange, please reach out to the Asure Support team. We are here to help!

We are ready to begin...Let's get Started.

01

Request Asure ID & Complete Request Form

- "Asure ID Request" in subject line.
- Up to 3 Asure ID admin users
- Logo
- Registration email address
- Authorization to alter terminated EE email addresses
- Asure Identity url: portal.identity.asurehcm.com
- New ESS url: "Yoursubdomain.portal.asurehcm.com"

02

Prepare & Establish Demo Environment

- Enable the Group Security rights Admin Portal Registration
- Set up Scheduled Identity Sync Task
- Enable New Asure Portal for Demo
- Review registration emails
- Staff registration & Mobile App
- Review registration status
- Review logo & brand

03

Managing the Launch for Active Clients

- Assess required data & current usage of ESS Report S5351
- Address missing data Reports S5345, S5346 & S5347
- % of Readiness
- Activation – One by One or Bulk

04

Best Practices

- Managing email to preserve delivery.
- Terminated Employees & Excluding Employees from Registration use **not_provided@EE.com**
- Managing % of Readiness – use **not_collected@ee.com** for employees that have not provided email address
- No DOB - use **DOB 1/1/1900** as default.

05

Track your progress & Goals

- Reviewing client status & % of Readiness
- Communications to Clients
- CSR Role
- Capture & respond to feedback

- **Asure Portal URL:** YourSubDomain.portal.asurehcm.com

Welcome, Jamie Howard

Hilton Garden Inn has activated your access to Employee Self-Service Portal which will allow you to: view paycheck history, year end forms like W-2s, employment information, and more.

Getting started is easy:

1. Verify your personal information
2. Set your username and mobile number
3. Log in

Get Started

Note: This invitation is unique and intended only for you. Contact your employer, Hilton Garden Inn, if you have any issues or questions.

About Asure Software

Asure Software is a leading provider of HCM (Human Capital Management) solutions for businesses. You are receiving this message on behalf of your employer. No one from Asure will ask for personal information.

Multiclient Reports

Asure Portal Onboarding Data Validation (S5356)

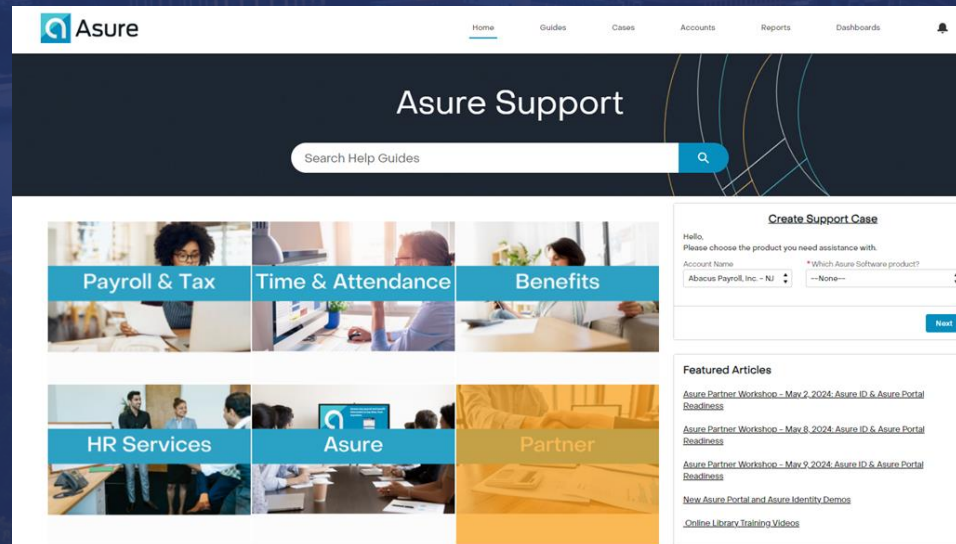

Checks for obvious validation errors

- Example 1: DOB will return as Invalid if the employee would be under 10 or over 90 years of age.
- Example 2: SSN would be invalid if the last four digits are 0000.
